EDUCATION

The College of Wooster — **Wooster, Ohio**
Bachelor of Arts in Economics, Entrepreneurship Pathway — *2022 – 2026*

Relevant Coursework: Microeconomics, Econometrics, Business Consulting, Strategic Management, Corporate Finance.
Achievements: Selected to represent the Entrepreneurship Pathway in the CIEE Global Entrepreneurship Competition, 2023.
Activities: Jenny Investment Club - Contributed to research and stock pitches for a $12M mid-cap U.S. equity portfolio.

PROFESSIONAL EXPERIENCE

The Underground (College of Wooster) — **Wooster, Ohio**
Growth Analyst — *Aug 2024 – Sep 2025*

- Audited the campus venue's social media and outreach using student interviews and trend research; delivered written recommendations to the Office of Student Engagement.
- Implemented them: co-hosted events with 6+ student organizations, launched 5+ new event formats, and introduced student polls to guide programming.

Kiwimbi International — **Remote**
Marketing Analyst Intern — *Feb 2024 – Jul 2025*

- Built Kiwimbi's search advertising program, managing a $10,000/month grant while self-teaching Google Ads.
- Increased website traffic by 46% and raised click-through rate from a 9.19% campaign average to 12.29%.
- Tracked 8+ key site actions using Google Analytics, creating detailed KPI dashboards that informed leadership decisions.

Level Club (Billiard Club) — **Casablanca, Morocco**
Marketing and Growth Intern — *Jun 2023 – Jul 2023*

- Introduced the club's first hourly rate pricing model, turning customer demand patterns into a new business strategy.
- Increased customer visits by 50% through targeted marketing and pricing strategy, with an estimated 30% increase in sales during promotional periods.

PROJECTS

Independent Study Thesis — Advertising Strategy Across the Marketing Funnel

- Formalized the marketing funnel as a multi-stage economic model and solved for the optimal allocation of ad spend between brand-building and conversion, showing how it shifts with firm characteristics.
- Tested it via panel regressions on 15 years of hand-collected data; size and industry were the strongest predictors.

Venture Capital Due Diligence | Northeast Ohio Student Venture Fund

- Evaluated 15 early-stage startups; ran full diligence on 4 (market sizing, revenue projections, valuation).
- Led diligence on Auxilium Health and made the investment case; the fund invested, and the startup has since raised $4.9M.

Wooster Social Entrepreneurship Program Impact Evaluation

- Led a mixed-methods impact analysis of the program, evaluating nearly 20 years of outcomes since its 2006 launch.
- Synthesized stakeholder interviews and financial data into a comprehensive report with actionable recommendations.

Product Analytics Data Lakehouse & Medallion Pipeline

- Architected a Bronze/Silver/Gold Medallion pipeline in DuckDB, using SQL and Python in VS Code.
- Built a 4-page Power BI suite with DAX measures tracking activation, retention, and adoption.

PERSONAL

- **Languages:** English (fluent), French (native), Moroccan Darija (native), Arabic (conversational).
- **Technical Skills:** Excel, Python, SQL, Power BI, Stata, VS Code, Google Ads, Google Analytics 4, Databricks.
- **Analytical Skills:** Data Analysis, Regression Analysis, KPI Reporting, Market Research, A/B Testing, Business Strategy.
